

Marine Applications & Repair

IBIX Revolutionary Standards of Engineering in Surface Technologies

Our systems are extremely beneficial for maintenance & surface preparation on board any vessel. The powerful light weight smaller units, are perfect for regular servicing and repairs. Boats of all sizes encounter the harshest conditions imaginable, requiring the most effective blasting and coating systems. IBIX Systems fulfill every demand.

IBIX Portable Cleaning & Blasting Systems

Preparation is the key to any successful long term coating job.

IBIX portable units are ideally used for pre-paint surface preparation on small/medium scale jobs where speed and manageability are essential: welding, retouching, blasting of small surfaces. Optimal for hard to reach tight places on board, such as manholes or doorways and passages.

Shipyards and shipping companies regularly use our IBIX system in their paint departments and as part of their on-board maintenance while at sea.

THE SMALLEST BLAST SYSTEMS AVAILABLE

New - IBIX 3 H₂O

Perfect for complete On-Board maintenance and below deck work, (Ballast Tanks, Engine room)

IBIX 9 H₂O

Used in the shipping industry continually for over 10 years

Ideal for Off-Shore,
Shipping, Inspection,
Metal Work and
Spot Cleaning

Practical for
On-site, Repairs,
Low Dust,
Safe for the
Operator
and Crew

International Ship
Builder Approved
Currently using our I-9
system around the world.

- Hyundai (Korea)
- Daewoo (Korea)
- Samsung (Korea)
- Blohm & Voss (Germany)
- Kverner Masa (Finland)
- Umoe Offshore (Norway)
- Aker Yards (Norway)
- Lisnave Shipyards (Portugal)

Portable Cleaning System

Revolutionary Rotational Technology...Soft Abrasion HELIX Technique

The premier, versatile, economical, lightweight aluminum systems available in the industry. IBIX blast systems are available in 4 sizes with dual action wet and/or dry technology designed for hard to reach work areas. Perfect for a wide variety of applications, pre-paint preparation and cleaning surfaces. These units always deliver an even air and media flow for a consistent surface finish.

SPECIFICATIONS ASME Compliant #41,780

Lightweight Aluminum Construction for Transportation Ease

Environmentally Friendly – Low Dust Emission

Single Unit Dual Function – Wet and/or Dry

All Units Include; Multi Valve Adjustable Media Flow Rate

Wet Surface Treatment Nozzle with Standard Water Connection

Funnel W/Stainless Steel Screen for Reusing Abrasive Media

New - IBIX 3 H₂O Pictured on front Capacity: **1.2 gallons** (0.16 ft³, 4.5 l)
Nozzle sizes: **0.03 - 0.17 in** (1 – 4.5 mm), Mesh sizes: **30 - 350** (0.025 – 2.5 mm)
Airflow rates **2.9 - 130 psi** (0.2 to 7 bars), Hose length: **6.5 ft** (2 m)
Empty weight: **22 lbs** (10 kg)
Minimum Air Requirement: **10 CFM**,
can be run by most smaller compressors

IBIX 9 H₂O Capacity: **2.4 gallons** (0.32 ft³, 9 l)
Nozzle sizes: **0.12 - 0.2 in** (3 – 5 mm)
Mesh sizes: **30 - 350** (0.025 – 2.5 mm)
Airflow rates **2.9 - 130 psi** (0.2 to 7 bars)
Hose length: **20 ft** (6 m) Empty weight; **27 lbs** (12 kg)
Minimum Air Requirement: **17 CFM**,
can be run by most smaller compressors

IBIX 25 H₂O Capacity: **6.6 gallons** (0.88 ft³, 25 l)
Nozzle sizes: **0.2 to 0.28 in** (5 – 7 mm)
Mesh sizes: **30 - 350** (0.025 – 2.5 mm)
Airflow rates: **2.9 - 130 psi** (0.2 to 7 bars)
Hose length: **30 ft** (10 m) Empty weight; **57 lbs** (26 kg)
Minimum Air Requirement: **57 CFM**,
can be run by most smaller compressors

IBIX 40 H₂O Capacity: **10.5 gallons** (1.4 ft³, 40 l)
Nozzle sizes: **0.4 to 0.48 in** (10 – 12 mm)
Mesh sizes: **30 - 350** (0.025 – 2.5 mm)
Airflow rates: **2.9 - 116 psi** (0.2 to 8 bars)
Hose length: **30 ft** (10 m)
Empty weight: **87 lbs** (40 kg)
Minimum Air Requirement: **185 CFM**,
can be run by most smaller compressors

1 Year Manufacturers Warranty

Optional Equipment for
all IBIX Blasters

HELIX

Gun Fits All Units

Quick Click System Available for
Retrofitting Standard Systems
with New Helix Gun

Dust Reduction
Vacuum Nozzle
Attachment Available

Additional Nozzle Kits
are available for purchase
with all IBIX Units
