

**IBIX Surface Technologies, LLC**  
**2075 Lake Avenue SE**  
**Largo, FL 33771**  
 Manufacturer:  
*IBIX S.r.l., Via La Viola 2, 48022 Santa Maria in Fabriago (RA) Italy*

**CONVENTIONAL WARRANTY TERM: 1 YEAR**

Conventional warranty automatically starts after the purchase/invoice date of the IBIX Blast Systems.  
 Only valid for all IBIX series manufactured after January 1, 2012 compliant to ASME # 41,780.  
 The scope of the warranty is outlined below.

**1. Object**

IBIX warrants for flaws in the assembly or in components which can compromise the correct functioning of the machine in normal conditional use.

**2. Timeline**

IBIX SRL warrants flaws which occur within the first year of warranty period (term) after the date of invoice. The consumer shall lose the initial rights resulting from this warranty when he/she does not report the fault within two (2) weeks after delivery of the unit from the detection of manufacturer's fault.

**3. Exemption**

This conventional warranty is not valid for the following situations:

- **Non-compliance of instructions and warnings posted in the manual** concerning the use and maintenance supplied with the IBIX unit when purchased (if you didn't receive a manual with you purchase, please call us immediately)
- **Incorrect use and handling of the machine**
- **Negligent and careless use**
- Use of abrasives that are not approved, specified or supplied by IBIX or one of its distributors. The following **are** approved green abrasives by IBIX:
  - IBIX GA 30/60, 60, 80, 120 and 200 mesh (GMA)
  - IBIX Soda MXL (Armex)
  - IBIX Calcium Carbonate Z5 and Z6 (IBIX)
  - IBIX Glass 40/70 and 70/100 mesh (SM)
  - IBIX Walnut Shells 35/60 mesh (ecoShell)
- **If the IBIX unit is subjected to untreated compressed air (moist or oiled air)**
- Any repairs and or replacements of non-original parts or alterations performed by non-qualifies (authorized) IBIX dealers (IBIX SRL) or mechanic
- Use of non-original IBIX manufactured spare parts
- **Careless handling (example: dropping, falling or bumping)**
- Normal wear and tear of the IBIX consumable product parts such as abrasive hose, nozzle holder, nozzles, rubber holder, 5 µm filter for pressure regulator, black knob of the pressure regulator, plastic cover and its base, plastic funnel, metering valve
- **Damage cause during transport (customer insurance required)**
- **Damage caused by acts of God, fire, accidents or any other cause not** ascribable to assembly or components faults
- **If unit is not paid in full**

**4. Limitation of Liability of the Producer**

IBIX SRL/IBIX USA decline all responsibility for any damage to people, things or animals as a consequence of non-observance (compliance) of all instructions and cautions (warnings) listed in the Instruction and Maintenance booklet (manual) of IBIX Eco-Blasters.

**5. Commitment to the Repair of a Flaw**

If a manufactured flaw (see point 1) is proven and acknowledged within the warranty period of 1 year (12 months) of the time of purchase (invoice date). IBIX SRL warrants the product. If technical service of the IBIX unit is required, any and all transport costs and labor charges are subject to the purchaser and not included in this warranty (see point 2 and 3). If technical servicing of the IBIX unit is requested by the purchaser (at his location) the IBIX SRL/IBIX USA personnel (mechanic) travelling expenses, food and accommodations are subject to charges and equally not included under this warranty. All repairs or substitutions of IBIX components do not interrupt the lapse of this warranty term, which will last until the end of the first year (see point 2).

**6. Territory Coverage**

This conventional warranty from the producer (IBIX SRL) is valid in all countries which are approved for direct sales of IBIX systems. (IBIX North America only warrants products sold in the USA).

**7. Date of Maturity (Term)**

At the end of this one (1) year conventional warranty from the day of purchase, all repairs or replacement parts of IBIX blast components will be at buyer's expense.
